It is very hard to stand by idly and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped woold give some relief until the doctor should arrive. In a few hours he returned, saying the doctor. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country.
